Middle School Retake Procedure

Delsea Middle School encourages retakes on assessments as a way for students to demonstrate increased learning. Any student who receives a score of 74 or lower on a test may qualify. One retake will be granted only if a legitimate attempt at the original assessment was made and all of the requirements completed. Retakes are not permitted on homework, classwork, Accelerated Reader quizzes or the marking period assessment. Students will receive an average of the original grade and the retake grade as long as an improvement from the first score was made. The student should complete the [DMS Test Retake, Reflection and Permission Form](#) in order to qualify within the prescribed time limits. See all of the requirements included with the form, posted on the DMS website. Please contact the teacher or guidance counselor with any questions.

Delsea Middle School Media Center

Information on returning library materials, requesting print library books, procedures, happenings, etc. can be found at the [Delsea Middle School Media Center website](#).
