Dear Parents:

In an effort to help streamline the process of applying for free and reduced lunch each school year, we strongly encourage the use of our Online Free and Reduced Lunch application process. If you so choose, you may now apply for free or reduced lunch through the following link:

<https://mealapp.lunchtimesoftware.net/>

Once you complete the online registration you will then be able to fill out your lunch application electronically and submit it directly to the school. Once you submit your online application you will not be able to go back and edit it. Should you need to make any changes after your submission, you must contact Nicole Pratt, Administrative Assistant to the School Business Administrator. She can be reached at npratt@delsearegional.us or 856-694-0100 Ext: 203.

Should you have any questions please refer to the "Parents' Guide to Getting Started" which you can find on the top right hand side of the page once you register to the site listed above. You can also find it on the Delsea Regional High School District website, www.delsearegional.us under the "School lunch/breakfast" tab.

It should be noted that this school year (2022-2023) all applicants that would qualify under "reduced" will have no charge.

Sincerely,

Joseph M. Collins
Schools Business Administrator
